

# President's Report

Kia Ora,

The shorter days are over, here come the longer days! Which means looking forward to spring and summer!

We had our AGM on the last Sunday of the month in May. Good to see everyone and thanks to those to came!

I would like to knowledge Greg Pateman for his passion and commitment to our Society, sadly he decided to retire from the board this year. Thank you for giving up your time helping upgrade the building for many years. Such a honour to work with you. I can say the staff and board agree too. Congratulations on your nomination for life member. Enjoy your mini retirement Greg!

Also a big congratulations to Juile Fraser as our new Vice President. Looking forward to sharing responsibility with you Julie. She will be fantastic for the Club!

Our board attended a governance training that ODI provided to the community, it was good to go and keep our governance knowledge up to date and refreshed.

Keep warm and safe!

Craig
