# PRESIDENT'S REPORT

Kia Ora

Hope all is well, we are approaching to an end of summer!  
Gone in a blink of an eye!

Our building has had a wonderful makeover! New paint on the walls, looking very sharp and clean! We also bought some new chairs! Out with the old and in with the new! The chairs stack so easy and look more tidy. Makes the hall more spacious. Our photos and artwork will go up soon, just finding a way to make it look perfect. We moved the big couch from reception into the hall to make it more comfortable. What do you think?

Next month we'll will have a prize draw quiz for you to take part in, give it a go.

Keep safe and well!

Craig

# MESSAGE FROM SEAN TURNER

Hi Deaf community, I am Sean Turner from Wellington and I am a Deaf man. I would like to ask the Deaf community or rugby league team if you have any photos of Christchurch Deaf rugby team and Wellington Deaf rugby league team on Saturday 11th May 1991?

Wellington Deaf rugby league team went down to Christchurch for played against Christchurch Deaf rugby league together on Saturday 11th May 1991.

Also our Central District Deaf rugby league team went to Blenheim and played against Christchurch Deaf rugby team on Saturday 31st August 1996. Do you have any photos of Deaf rugby league team together?

In 1982 ( mid-winter ) I think it was June between August 1982. I remember my old school van Asch College Deaf boys soccer team played soccer against Christchurch Deaf Society men's soccer team. We lost. I can't remember the score. Do any Deaf people remember the score and date? I think it was the same time Van Asch College Deaf girls netball team played Christchurch Deaf Society Deaf women team.

Please let me know please contact me.

Thank you Sean

# GIFT FROM OUR NEIGHBORS

A year ago, DSC was offered a free defibrillator\* but we already had one so we recommend our neighbor on Tuam street AJ's.

AJ's is called AJ Day Options Trust, they provide activities and work (a candle making business) for people with an intellectual disability.

At Christmas we had two visitors from AJ's. They came to say thank you for recommending them for a defibrillator and gave us a lovely candle gift specially made for us!

The words on the candle say

“Act as if what you do make a difference....it does.  
Thank You.”
